

We are excited to announce our new forthcoming event, **Tech Jobs Fair 2022 in Budapest, which will take place on Nov 03rd, 2022** with a Tech, Innovation and Career Concept. Tech Jobs Fair is in its 27th edition worldwide and 1st edition in Budapest and will be held at the great venue of Óbuda University G building, Budapest Tavaszmezo 14-18.

Visitors can find all kinds of **Startups, SME** and **Corporate companies** from all around the world in the fair. Tech Jobs Fair aims at connecting the best Companies with Talented Job Seekers and therefore it is the right place to be for all kinds of Companies, Talents and Job Seekers from all kinds of experienced levels.

It is more than a job fair, where you, and your brand will be highlighted. This Tech Festival will surely solve the purpose for many. The event is open for all the professionals who are looking for career growth, discovering great ideas, meeting inspiring people and also fresh graduates who want to get wings to their dreams. The fair will help in connecting the aspiring talents from all over Budapest as it is open for both professional and young ambitious intellects. It is a great opportunity for job seekers and employers to find the best from the available resources. Our mission is to help Ireland become a global Tech hub. Together with our partners, we want to take part in making Ireland a leading global destination for high impact companies who want to learn and grow. The event is great for meeting with recruiters, networking with other corporations, increase brand awareness and it is therefore a unique opportunity for job seekers to make personal connections.

The job fair continues during the day with the company's booth and professional talks, while the social networking ends the Tech Jobs Fair 2022. It is a great opportunity to meet with your peers in a more relaxed and informal environment. Ashok Dudhat, Founder & CTO of Tech Jobs Fair will be there too, so this is a chance to connect with him virtually.
