

We are excited to announce our new forthcoming event, **Tech Jobs Fair 2022 in Lisbon, which will take place on Sept 29th, 2022** with a Tech, Innovation and Career Concept. The Lisbon's Recruiting & Branding, Tech Jobs Fair is in its 25th edition worldwide and 3rd edition in Lisbon and will be held at the great and central venue of University of Lisbon (Universidade de Lisboa), University Lisbon Rectory (Reitoria da Universidade de Lisboa), Alameda da Universidade, 1649-004 Lisboa, Portugal.

Visitors can find all kinds of Startups, SME and Corporate companies from all around the world in the fair. Tech Jobs Fair aims at connecting the best Companies with Talented Job Seekers and therefore it is the right place to be for all kinds of Companies, Talents and Job Seekers from all kinds of experienced levels.

It is more than a job fair, where you, and your brand will be highlighted. This Tech Festival will surely solve the purpose for many. The event is open for all the professionals who are looking for career growth, discovering great ideas, meeting inspiring people and also fresh graduates who want to get wings to their dreams. The fair will help in connecting the aspiring talents from all over Lisbon as it is open for both professional and young ambitious intellects. It is a great opportunity for job seekers and employers to find the best from the available resources. Our mission is to help Lisbon become a global Tech hub. Together with our partners, we want to take part in making Lisbon a leading global destination for high impact companies who want to learn and grow. The event is great for meeting with recruiters face to face, networking with other corporations, increase brand awareness and it is therefore a unique opportunity for job seekers to make personal connections.

Last year, Tech Jobs Fair in Lisbon had more than 1000 attendees, 18 speakers, more than 31 community partners and over 30 company partners visiting. Some companies who attended last year's fair include Tangivel, Mindera, Deeploy.me, LetsGetChecked, BOLD by Devoteam, Natixis, Continental Engineering Services, others.

The job fair continues during the day with the company's stands and professional talks, while the networking party will close the Tech Jobs Fair 2022. It is a great opportunity to meet with your peers in a more relaxed and informal environment, having a drink or two. Ashok Dudhat, Founder & CTO of Tech Jobs Fair will be there too, so this is a chance to connect with him in person.

More about the Tech Jobs Fair:

The first edition was held in Berlin in 2017, with subsequent editions taking place in Vienna, Zurich, and Lisbon, as well as Berlin in 2019. In 2021, The Tech Job Fair increased its reach to include places such as Canada, India, the United States, the United Kingdom, Israel, Spain, the Netherlands, and France. So far, about 45k+ people have attended the event (total). Ashok Dudhat, the founder, is based in Berlin and works with local professionals in the cities where the job fair is held.
