Proudly announcing our new upcoming event **Tech Jobs Fair 2020 in Zurich, starting on the 15th of Oct 2020** with a Tech, Innovation and Career Concept. The Tech Jobs Fair is in **its second edition in Zurich** and will be held at the great and central venue of Volkshaus/Weisser Saal!

Visitors can find all kinds of Startups, SME and Corporate companies from all around the world in the fair. Tech Jobs Fair aims at connecting the best Companies with Talented Job Seekers and therefore it is the right place to be for all kinds of Companies, Talents and Job Seekers from all kinds of experienced levels.

It is more than a job fair, where you, and your brand will be highlighted. This Tech Festival will surely solve the purpose for many. The event is open for all the professionals who are looking for career growth, discovering great ideas, meeting inspiring people and also fresh graduates who want to give wings to their dreams. The fair will help in connecting the aspiring talents from all over Switzerland as it is open for both professional and young ambitious intellects. It is a great opportunity for job seekers and employers to find the best from the available resources. Our mission is to help Switzerland become a global Tech hub. Together with our partners, we want to take part in making Switzerland a leading global destination for high impact companies who want to learn and grow. The event is great for meeting with recruiters face to face, networking with other corporations, increase brand awareness and it is therefore a unique opportunity for job seekers to make personal connections.

Last year, Tech Jobs Fair in Zurich had more than 700 attendees, 15 speakers, more than 20 community partners and over 20 company partners visiting. Some companies who attended last year's fair include Locatee, Astrocast Voi, Utrust,talent4gig, among others.

The job fair continues during the day with the company's stands and professional talks, while the networking party will close the Tech Jobs Fair 2020. It is a great opportunity to

meet with your peers in a more relaxed and informal environment, having a drink or two. Ashok Dudhat, Founder & CTO of Tech Jobs Fair will be there too, so this is a chance to connect with him in person.

More about the Tech Jobs Fair:
The first edition took place in Berlin in 2017. The following cities were Vienna Zurich and Lisbon, all in 2019. The event has had more than 10k visitors so far (total). The founder, Ashok Dudhat, is based in Berlin and works from there with local professionals in the different cities where the job fair takes place.
